

Reelfoot Lake Guest Speaker Programs for 2011

Reelfoot Lake State Park is once again providing programs at the **PARK VISITOR CENTER** on **SATURDAY NIGHTS at 7:00 PM**. This is one of our most popular winter activities, along with the Eagle Tours. Guest speakers are invited to talk about a variety of topics on Saturday nights. These programs are free to all who wish to attend. Please make plans to join us for these interesting and informative programs about Reelfoot Lake's natural wonders.

JANUARY 15th **Birds of Prey:** Join our Park Staff who will introduce you to the injured Raptors that call Reelfoot home. They will shed some light on the Raptors importance to the ecology and economy of this area.

JANUARY 22rd **RAPTOR REHABILITATION:** Join Knox Martin, Coordinator of Raptor Rehab for Memphis Zoo. He will enlighten you on the efforts to rehabilitate and release injured Birds of Prey. You will also get a chance to visit with a variety of non-releasable birds.

JANUARY 29th **Birds of Prey:** Join our Park Staff who will introduce you to the injured Raptors that call Reelfoot home. They will shed some light on the Raptors importance to the ecology and economy of this area.

FEBRUARY 5th **Save Our American Raptors:** John Stokes and Dale Kernahan will give the audience an extraordinary opportunity to experience birds of prey at close range. Their program will contain a variety of hawks, owls, eagles and other majestic birds, some of which will be allowed to free fly. Allowing the audience an unforgettable experience. **7:00 PM****

February 5th Program willat the Reelfoot Lake State Park Visitor Center because of the free flying birds
